If **you** make more than one claim in the **period of insurance** **your** NCD will be reduced by two years for each additional claim made.

The tables opposite show how this works both with and without NCD protection.

Protecting your car and belongings

The following information is for guidance only; it does not form part of your policy

Remove the ignition key or other removable ignition device when you get out of the car, even when parking in your own drive or at a petrol station. Your policy may not cover you if your car is unoccupied with the keys inside it or on it.

If you can, leave the car in a locked garage and lock your car and the garage. If you do not have a garage, try to park in a well-lit, open space.

Don't leave money, credit cards or cheque books in the glove compartment.

Don't leave any belongings in your car. A thief won't know that a bag or coat doesn't contain something valuable and might break a window to get at it. If you can't take them with you, lock them out of sight. If you have a removable sat nav remove the cradle as well as the device plus any suction marks that could show that it is in your car.

Never leave a door unlocked or a window or sunroof open, even when just going into a shop for a moment or two. If you use the key fob check the car has actually locked before you leave it. Your policy may not cover you if you do not protect your car against damage or theft.

Remember! Your policy may not cover loss of your car, accessories or spare parts if your ignition key or other removable ignition device is in, or on, an unoccupied car.

When parking in a public car park, look for one that is well supervised, with restricted entry and exit points, good lighting and security cameras. Wherever possible use Park Mark® car parks – details of approved Park Mark® car parks can be found on www.parkmark.co.uk

Never leave your car documents in the car; they could help a thief to sell it.

Etch the car's registration number on all glass surfaces – windows, sunroofs etc. Thieves don't want the expense of replacement.

If your car is not fitted with an alarm or immobiliser, consider fitting one which is Thatcham approved. Also think about fitting a tracking device especially if you have a high-performance or an expensive car.

At home, ensure your car keys are kept in a safe place, out of sight and away from windows and doors.
