# GENERAL INFORMATION

## How to use your policy book

This policy wording along with Your Schedule and Statement of Fact gives you all the information you need relating to your Home insurance cover. This includes the Terms & Conditions which apply and important information about the Legal & Domestic helpline. It also contains information about the process for making a claim or a complaint. There is a handy notes section at the back of this policy wording for you to use if you have any questions.

You need to read this policy alongside your Home Insurance Policy Schedule and Statement of fact. All of the cover limits relating to each section of cover you have chosen are detailed in your Schedule. Where cover is being detailed, the sections are broken down into "What is insured" which will typically be shown on the left hand columns, and "What is not insured" which will typically be shown on the right hand

columns. These sections are also colour coded to make them easy to follow and understand what is and is not covered under each section of the policy.

Words appearing in bold text from page 5 through to 74 have specific meanings. You can find these meanings in the "Definitions" section on pages 5 to 7 of this policy wording.

## IMPORTANT NOTES

It is important that you are NOT under-insured. Make sure you have insured your Buildings for the full rebuilding cost including allowances for architects costs and site clearance, and your Contents for Their full replacement value as new items.

If you make a claim under both Buildings and Contents, the Excess for both sections will apply.

## FOR EXAMPLE:

If you have **£75** Buildings Excess & If you have **£50** Contents Excess

You will be responsible for the first

**£125**

of any claim.

This amount will be in addition to any voluntary Excess you have opted to take.

# GENERAL INFORMATION

## Terms & Conditions

This is **Your Insure4Retirement** home insurance policy and it is an agreement between **You** and **The insurer/s** named on **Your Schedule**.

It is only valid if **You** pay the premiums and is based on the information **You** provided to **Us** and confirmed during the application process or subsequently, including acceptance of **Your** renewal. **Your** policy provides the cover for the **Period of insurance** shown in **Your Schedule** and **Statement of fact**. **You** must read these terms and conditions together with **Your Schedule** and any specifications or **Endorsements** as one contract.

**Your Insure4Retirement** home insurance policy is evidence of the contract of insurance together with any subsequent addendums **you** are sent.

### Information and Changes We need to know about

It is **Your** responsibility to take care and provide complete and accurate answers to the questions **We** ask when; **You** take out **Your insurance** policy, when **You** make changes to, and when **You** renew **Your insurance**. Please note, if the information provided by **You** is not complete and accurate, The insurer may invalidate **Your insurance** cover, **Your** policy terms and conditions may be varied or, part or all of a claim may not be paid.

Please refer to Policy Conditions, Part 2a for further details of information and changes **We** need to know about. Changes, if accepted by **The insurer**, will apply from the date indicated on **Your Statement of fact**.

In these cases, **We** and **The insurer** will be entitled to vary the premium and terms for the rest of the **Period of insurance**.

### Contract of Insurance

**The insurer** agrees to insure **You** according to the terms and conditions contained in this policy wording and the sections shown in the **Schedule** for loss, damage, injury or liability which happens during the **Period of insurance**.

The **Schedule** tells **You** which sections of this policy wording apply to **Your Insure4Retirement** home insurance policy. Opposite each heading of cover in this policy wording **You** will find some exceptions which tell **You** what is not covered under that heading. There are also some general exceptions shown under the General Exceptions section of this policy wording which apply to the entire contract of insurance.

# MAKING A CLAIM

Before **You** contact **The insurer** to notify them of a claim, **You** need to understand if **You** should be claiming under the **Buildings or Contents** part of **Your** policy. This can be quite hard to understand for certain types of claims, so **We** have put together this short guide to help **You**.

## How to know if it's **Buildings or Contents**

Everything classed as covered under **Buildings** insurance is likely to be everything that **You** would leave behind if **You** were to move house, or an easier way to think about this is to imagine turning **Your** house upside down allowing all unfixed items to fall out! Everything that fell out would in all likelihood be **Your Contents**.

It is likely that everything remaining would be **Your Buildings**. For example, a fitted bedroom would remain if **You** moved or turned **Your** house upside down, meaning this element would likely be covered under **Buildings**, but a free-standing wardrobe that wasn't fixed would fall out, therefore this item is likely to be covered under **Contents**.

## What if **You** need to claim under **Buildings and Contents**

It is often the case that both sections of the policy apply to certain claims. For example, if **You** experienced a theft claim, **You** may need to claim under **Your Buildings** cover for the cost of repair or damage to any broken windows or doors (assuming the thief gained entry this way) and claim under **Your Contents** cover for the replacement of any stolen items.

Claims are handled by **The insurer**, NOT by Insure4Retirement directly. **Your** claim team is there to help **You** and make the process as easy and quick as possible. **Your** claim team will need specific information about **Your** claim and will also ask **You** some detailed questions to help them handle **Your** claim efficiently and to prevent fraud.

First things first! **You** should notify the Police as soon as possible if something is lost or stolen, or if **Your** property has been purposely damaged. The Police may provide **You** with an **Incident** reference number which **The insurer** may require.

It is important that **You** do not negotiate or settle any claims made against **You** by another party, **The insurer** is there to do that for **You**. Do not admit or deny responsibility for anything relating to **Your** claim as this could affect **Your** claim.

## Reporting Your Claim

Locate **The insurer** which **You** can find on the **"Need to Make A Claim"** section of **Your Home Insurance Schedule**, and **Your policy number**.

Use the information on the following pages to find the telephone number of **The insurer** **You** need to contact. Remember, **You** may have a different insurer if **You** have purchased any of the additional products available.

Telephone **The insurer** as soon as possible after the **Incident** has occurred in order that **Your** claim can be dealt with quickly and efficiently.

By accepting/purchasing, making adjustments or renewing this home insurance policy, **You** will have come to **Your** own decision as to whether this policy meets **Your** particular demands and needs, are happy with **Your** cover levels, and have not therefore received advice or a recommendation from **Us** and are confirming **Your** demands and needs are met.

### Client Money

Money received from **You**, or to be paid to **You**, in relation to the insurance contracts **We** arrange on **Your** behalf (known as Client Money) will be held by **Us** in accordance with the FCA rules as agent of **The Insurer**. This is usually known as "Risk Transfer".

### Risk Transfer – Money Held As An Agent Of An Insurer

Where **We** have agreed in writing with **The insurers** to receive money as their agent, money received whether from **You** or from **The insurer** will be the property of **The insurer** whilst **We** hold it. So, if **You** pay a premium to **Us** it will be treated as having been received by **The insurer**, which means **You** cannot be asked to pay it again if **We** are unable to pay the premium to **The insurer**. Similarly, once **We** have received the premium **We** would be unable to return it to **You**, for example in the event of **The insurer** becoming insolvent. Also, if **The insurer** pays claims money or a return premium to **Us** for onward transmission to **You** and **We** do not pay **You**, then **The insurer** will still be liable to **You**. As **The insurer** bears the risk of such losses, this relationship is usually described as Risk Transfer.

# POLICY CONDITIONS

The cover set out in this policy wording, unless stated otherwise, is subject to the Policy Conditions listed below:

## 1. Contract Of Insurance

You and Your Family must comply with the following conditions to have the full protection of Your home insurance policy. If You or Your Family do not comply with them, We or The insurer/s may at Our or Their option cancel the policy or refuse to deal with Your claim or reduce the amount of any claim payment.

This policy is a contract of insurance between You and The insurer. The following elements form the contract of insurance between You and The insurer, please read them and keep them safe:

- Your home insurance policy wording;
- Your Schedule;
- any Endorsements on Your Schedule;

In return for Your premium, The insurer will provide the cover shown on Your Schedule on the terms and conditions of this policy wording during the Period of insurance. Their provision of insurance under this policy is conditional upon You observing and fulfilling the terms, provisions, conditions and clauses of this policy.

## 2a. Information and Changes We Need To Know About

You must take care to provide complete and accurate answers to the questions We ask when You take out, make changes to and renew Your policy. Please tell Us as soon as possible during the Period of insurance if there are any changes to the information set out in the Application form and/or Statement of fact or on Your Schedule. You must also tell Us about the following changes:

- change of address;
- structural alteration to Your Home

When We are notified of a change, We will tell You if this affects Your insurance; for example, whether The insurer is able to accept the change and, if so, whether the change will result in revised terms and/or a revised premium being applied to your policy. Please note that if the information you provide is not complete and accurate, Your claim may be declined in full or part and/or Your policy deemed invalid

2b. We or The insurer reserve the right to make changes or add to these policy terms and to change the premiums applicable for any of the following reasons:

- legal or regulatory reasons; and/or
- to reflect new industry guidance and codes of practice; and/or
- to reflect legitimate cost increases or reductions associated with providing this policy.

If changes become necessary, they will be applied to all policies issued. We will not make changes which apply only to Your Home insurance policy or to persons insured under Your policy alone.

We will write to You with details at least 30 days before We or The insurer make any changes. You will then have the option to continue with, or to cancel, the policy. If You request to cancel the policy We will carry out Your request either from the date We receive Your letter or a phone call from You or from any later date You give to Us.

### 3. Administration Fee

There may be a number of different changes that will incur an administration fee as well as an additional premium, such as a change to **Your** policy, **Your** details or requesting duplicate documentation. An administration fee may still apply even though an amendment results in a return of premium to **You**. For multiple changes the highest charge will apply. Please refer to the Important Information document for details of all administration fees. If **You** have any queries, please contact **Us**.

### 4. Precautions

**You** must take care:

- to keep **Your** home in a good state of repair; and
- to avoid or limit any loss, damage, **Accident** or injury.

### 5. Cancelling The Policy

Cancellation rights within 14 days

**You** have a statutory right to cancel **Your** policy within 14 days (cooling off period) from the start date or renewal of the policy or from the day on which **You** receive **Your** policy or renewal documentation, whichever is later. **We** will refund the premium, less a proportionate amount for the time **You** have been on cover. If **You** have received payment for, are in the process of making a claim or have suffered a loss for which **You** are intending to make a claim during the period **You** have been on cover, **We** will not refund any premium to **You**.

Cancellation rights after 14 days

Following the expiry of **Your** statutory cooling off period, **You** may cancel **Your** policy at any time by telling **Us**, either in writing or by telephone. As long as **You** have not received payment for, or are not in the process of making a claim and have not suffered a loss for which **You** are intending to make a claim during the period **You** have been on cover, **We** will keep an amount of premium in proportion to the time **You** have been on cover plus a cancellation charge and refund the rest to **You**.

If **You** have received payment for or are in the process of making a claim (regardless of the date of cancellation), and if **You** pay by instalments, **You** will either have to continue with the instalments, until the policy renewal date or pay the balance of

outstanding premium for the remainder of the **Period of insurance**. Non-payment of premiums – **We** can cancel the policy by sending **You** written notice if **You** do not pay the premium or miss an instalment. Following the expiry of **Your** statutory cooling off period, **You** may cancel **Your** policy at any time by telling **Us**, either in writing or by telephone. As long as **You** have not received payment for, or are not in the process of making a claim and have not suffered a loss for which **You** are intending to make a claim during the period **You** have been on cover, **We** will keep an amount of premium in proportion to the time **You** have been on cover plus an administration fee and refund the rest to **You**.

**We** or **The insurer** may cancel **Your** policy by giving **You** 21 days written notice by recorded delivery to **Your** last known address. If **You** do not pay **Your** premium **We** or **The insurer** may cancel **Your** policy. This does not affect **Our** right to collect any outstanding premium from **You** for the period that **We** provided **You** cover. If **You** pay by instalments: A carefully selected third party is providing the finance to **You** under a Consumer Credit Agreement to cover the premium due under **Your** policy. Under this arrangement, they reserve the right to instruct **Us** on **Your** behalf to cancel **Your** policy in the event that there is a default in instalment payments. If they choose to exercise this right or **We** or **You** choose to cancel **Your** policy, **We** will pay any refund to them.

**We** or **The insurer** reserve the right to cancel or void the policy immediately if **We** or **The insurer** discover that **You** have not disclosed **Important Information** or have made a careless, deliberate or reckless misrepresentation. In accordance with policy condition 6, if **You** commit fraud or attempt to commit fraud, **We** or **The insurer** will cancel **Your** policy without any refund of premium.

### 6. Other Insurances

If **You** have any other insurance policies which cover the same loss, damage or liability as this policy, **The insurer** will pay only **Their** share of any claim.

## 7. Fraudulent Claims

Throughout **Your** dealings with **Us** and **The insurer**, **We** and **The insurer** expect **You**, or anyone acting for **You** to act honestly.

If **You** or anyone acting for **You**:

- knowingly provides information to **Us** as part of **Your** application that is not true and complete to the best of **Your** knowledge and belief or
- knowingly makes a fraudulent or exaggerated claim under the policy or
- knowingly makes a false statement in support of a claim or
- submits a knowingly false or forged document in support of a claim or
- makes a claim for any loss or damage caused by **Your** wilful act or caused with **Your** agreement, knowledge or collusion

Then:

- **We** or **The insurer** may prosecute fraudulent claimants.
- **We** or **The insurer** may make the policy void from the date of the fraudulent act.
- **The insurer** will not pay the claim.
- **The insurer** may not pay any other claim which has been or will be made under the policy.
- **We** will not return any premium.
- **We** or **The insurer** may inform the Police or military authorities (if applicable), other financial organisations and anti-fraud databases such as CIFAS (Credit Industry Fraud Avoidance System), IFR (Insurance Fraud Register) and CUE (Claims and Underwriting Exchange) of the circumstances.

- The personal data that **You** provide may be stored electronically or as a hard copy. **We** and **The insurer** shall be entitled to transfer any data that may be required for processing purposes to any third party within the United Kingdom or abroad, who are involved in the administration and/or processing of **Your** insurance contract on **Our** and **Their** behalf. By disclosing **Your** personal information to **Us** and **The insurer**, **You** indicate **Your** consent to the collection, storage, processing and use of **Your** data.
- The information **You** provided when **You** took out **Your** home insurance policy, together with other information, will be used by **Us** and **The insurer**, **Our** and **Their** group companies and carefully selected partners and/or third parties. It will be used for administration, claims handling and customer service, including promotional activities.

**We** and **The insurer** may provide information to **Our** and **Their** service providers and agents for these purposes.

**Our** and **Their** group companies and other third parties may also disclose information about **You** to **Us** and **The insurer** for the same purposes.

- It may also be used for the purpose of fraud prevention including passing details to other insurers and regulatory bodies.

- **We** and **The insurer** will keep information about **You** only for so long as it is appropriate.

### How we use your data (continued)

It is a legal requirement that any offer to pay premiums in instalments is assessed for affordability.

To do this **We** pass **Your** details to **Our** instalment provider who may assess **Your** application by making a search of the public information that a credit reference agency holds about **You**. The agency will add details of the search and **Your** application to **Their** record whether or not **Your** application proceeds. This and other information about **You** may be used to make credit decisions about **You**.

## 10. Full Value

### Maximum claim limits

#### a) The value of **Your Contents**.

**You** must notify **Us** as soon as possible if the full replacement value of **Your Contents** exceeds the amount shown in **Your** policy **Schedule**.

If the amount shown on **Your** policy **Schedule** represents less than 100% of the full replacement value of **Your Contents**, **The insurer** will only be able to settle claims at the percentage **You** are insured for. For example, if the value of **Your Contents** shown on **Your** policy **Schedule** only represents 70% of the full replacement value then **The insurer** will not pay more than 70% of **Your** claim. The full replacement value of **Your Contents** means the current cost as new. If the full replacement value of **Your Contents** exceeds the amount shown in **Your** policy **Schedule** the cover under the policy will no longer meet **Your** needs.

#### b) The value of **Your Buildings**.

**You** must notify **Us** as soon as possible if the full rebuilding cost, including costs for architects fee and clearance of land for **Your Buildings** exceeds the amount shown in **Your** policy **Schedule**.

If the amount shown on **Your** policy **Schedule** represents less than 100% of the full rebuilding cost of **Your Buildings**, **The insurer** will only be able to settle claims at the percentage **You** are insured for.

For example, if the value of **Your Buildings** shown on **Your** policy **Schedule** only represents 70% of the full rebuilding cost then **The insurer** will not pay more than 70% of **Your** claim.

The full rebuilding cost of **Your Buildings** means the cost of rebuilding if the **Buildings** were completely destroyed. This is not necessarily the market value.

If the full rebuilding cost of **Your Buildings** exceeds the amount shown in **Your Schedule** the cover under the policy will no longer meet **Your** needs.

## 11. Customers With Disabilities

This policy and other associated documentation are also available in large print, audio and Braille. If **You** require any of these formats, please contact **Us**.

- Tell **Us** as soon as possible if the type of tenant changes from that noted on the **Schedule**.
- Comply with any local authority regulations or statutory conditions regarding the letting of the property.

### 13. Guaranteed Repairs

In the event of a claim and provided **You** use one of **The insurer's** approved repairers, **Their** approved repairer will offer a guarantee on the repairs. This would normally be a 12 month guarantee but each case would be reviewed individually.

**The insurer** will guarantee repairs directly if **Their** approved repairer goes out of business.

In order to prevent and detect fraud **We** and **The insurer** may at any time:

- Check and/or share **Your** details with fraud prevention and detection agencies. If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies.   - Check details on applications for credit and credit-related or other facilities.
  - Manage credit and credit related accounts or facilities.
  - Recover debt and trace beneficiaries.
  - Check details on applications and claims for all types of insurance.
  - Check details of job applicants and employees.

Please contact **Us** on the number shown in **Your** policy documentation if **You** wish to receive details of the fraud prevention agencies. These agencies may charge a fee.

### 15. Contractual Right Of Renewal

If **You** pay **Your** premium using **Our** third party's Direct Debit instalment scheme (or any other scheme offered by **Us**, at **Our** discretion) whether annually or monthly, **We** will have the right (which **We** may not use) to automatically renew the policy each year and they will continue to collect premiums using this method. **We** may use previous bank or card details provided to **Us** by **You** in order to facilitate this approach. By providing these details, **You** consent to their use in this manner. **We** may vary

the terms and conditions of the policy (including the premium) at renewal. This includes the period from when **We** have issued renewal paperwork, but is before **Your** renewal date. For example if there is a change in **Your** circumstances after **We** have issued **Your** renewal paperwork that **We** are subsequently made aware of, or **You** have submitted a claim in **This period**, but **Your** policy has not renewed yet, this may result in the terms or conditions of **Your** policy being amended, the renewal invitation being withdrawn or potentially an additional premium being charged. This includes where **You** have already paid **Your** premium before **Your** renewal date. If **You** decide that **You** do not want **Us** to renew the policy, as long as **You** tell **Us** before the next renewal date, **We** will not renew it. Depending on when you tell **Us**, **Your** payment could still be taken if it is close to the renewal date.

Any monies taken will be refunded. **Our** right to renew the policy does not affect **Your** cancellation rights shown on page 17 of this policy wording.

### 16. Third party Direct Debit scheme - Premium Credit Limited (PCL)

**We** work with a separate company called Premium Credit Limited (PCL), which provides monthly instalment payment facilities. This means that **We** will introduce **You** to PCL and **You** will have a separate credit arrangement with them. As part of this introduction **We** will need to send information to PCL including **Your** bank/building society account details in order for PCL to make a credit decision about **You**, set up **Your** credit agreement and Direct Debit. Please note that PCL has its own set of terms and conditions and charges and **You** should familiarise yourself with these by reading the PCL documentation carefully.

- When PCL process **Your** introduction, **You** will receive a welcome pack which includes a credit agreement between yourself and PCL which **You** will need to sign and return to PCL. Failure to return the credit agreement within the required timescale as stated in their welcome pack will result in an administration charge of £10.00. PCL's welcome pack will confirm **Your** payment schedule.

**You** have the right to cancel this instruction and details of such cancellation rights will be contained in the documentation issued by PCL. PCL will collect **Your** Direct Debits

- Arthur J Gallagher or **The insurer** has the right to cancel **Your** policy should **You** default on **Your** payments.
- If as the result of an adjustment to **Your** policy, there is an additional or return premium due, **Your** remaining instalments will automatically be adjusted.
- The Arthur J Gallagher Group of companies may receive a commission payment in respect of this introduction to PCL.

# HOME EMERGENCY COVER

## ADDITIONAL OPTIONAL EXTRA COVER

### Your Home Emergency Cover | Section 6

This section only applies if it is shown in **Your Schedule**. For this section, this contract of insurance is between You and Axa Assistance.

This section is optional and only applies if it is shown on **Your Home Insurance Schedule**.

#### Your cover

This policy provides assistance in the event of certain **Home** emergencies, which impact the safety and security of **Your home**, potentially rendering it uninhabitable. **We** will organise and pay up to £1,000 per claim including VAT, call out, labour, parts and materials to carry out an **Emergency** repair in order to contain the **Emergency**. This policy is suitable for someone who wishes to cover an **Emergency** caused by specified events when they do not already have relevant insurance cover. It is not designed to replace **Your Buildings and Contents** insurance and will not provide assistance for normal day to day **Home** maintenance. Each section of cover explains what is and what is not covered, which will limit the type and value of **Emergency Repairs** **You** can claim for. Please read them carefully to ensure this cover meets **Your** needs. **We** do not wish **You** to discover after an **Emergency** has occurred that it is not covered under the policy. There are also general exclusions that apply to all sections of the cover, and general conditions that **You** must follow for the policy to cover **Your** claim.

Please call Us as soon as **You** are aware of the emergency.

#### Who provides Your cover

This policy is provided by Inter Partner Assistance SA (IPA) which is fully owned by the AXA Assistance Group. Inter Partner Assistance is a Belgian firm authorised by the National Bank of Belgium and subject to limited regulation by the Financial Conduct

Authority. Details about the extent of its regulation by the Financial Conduct Authority are available from Us on request. Inter Partner Assistance SA Financial Services Register number is 202664. **You** can check this on the FCA's Register by visiting the website [www.fca.org.uk/register](http://www.fca.org.uk/register) or by contacting the Financial Conduct Authority on 0800 111 6768. AXA Assistance (UK) Limited provides the services described in this policy. **Your** policy is subject to English Law and **You** and **We** agree to submit to the non-exclusive jurisdiction of the English Courts if there is an unresolved dispute between **Us**.

#### How to make a claim

If **You** think **You** have a gas leak, **You** should immediately call the National Gas Emergency Service on 0800 111 999.

Are **You** having one of the following emergencies?

- Boiler & heating system
- Plumbing and drainage
- Failure of internal electrics
- Pests
- Gas supply pipe

To obtain **Emergency** assistance please contact the 24 Hour **Emergency** Helpline on 0800 479 0066.

**You** will be asked to provide **Your** name and postcode, **Your Home Insurance** policy number (which can be found on **Your** schedule) and details of **Your** emergency.

Act quickly in the event of an emergency and call the assistance helpline on 0800 479 0066. The telephone line is available 24 hours a day. Before requesting assistance, please check that the circumstances are covered under this section.

We will then:

- Advise **You** how to protect yourself and **Your Home** immediately
- Validate **Your** policy and arrange for one of **Our Authorised Contractors** to get in touch with **You** to make an appointment or, where it has been agreed, to settle **Your** claim on a **Reimbursement Basis**
- **We**, along with **Our Authorised Contractors**, will then manage **Your** claim from that point onwards and keep **You** updated throughout **Your** claim journey
- In the event of **Your Home** becoming uninhabitable and remaining so because of a covered event, upon agreement with **Us**, **We** will reimburse **Costs** **You** have to pay for alternative accommodation or contribute up to £250 inc VAT towards the cost of **Your** (including **Your** pets) accommodation including transport
- **We** would always recommend that **You** arrange for a **Permanent Repair** to be completed by a qualified tradesperson as soon as possible, once **We** have carried out an **Emergency** repair and contained the **Emergency** for **You**, as this may only provide a temporary solution to the problem

In some circumstances **We** may find it difficult to deploy an **Authorised Contractor** to attend **Your Home** or deal with **Your Emergency** within a reasonable timescale.

Examples of such circumstances are:

- Excessive demand
- Bad weather
- Industrial action
- Parts availability
- Availability of a specialist

In these circumstances, **You** may, with our prior agreement, arrange for **Your** own contractor to resolve **Your Emergency** and **We** will reimburse the cost up to £1,000 inc. VAT. A fully itemised invoice or receipt from **Your** own contractor will be required to support **Your** claim. If a new boiler or heating system is installed, **You** will also need to provide the make, model, serial number and Gas Council number. **We** will only reimburse the cost of the **Emergency** repair applicable under the policy.

### What if my claim exceeds the policy limits?

Claims under this policy can only be made by **You** or any member of **Your** immediate family permanently residing at **Your Home**. If the **Emergency Repair Costs** more than £1,000, **We** will discuss the below options with **You** before any work is carried out:

- **You** will have the option to contribute the difference in the **Costs**
- Subject to **Our** prior agreement, **We** will pay up to £1,000 including VAT as a contribution for repairs which **You** have arranged **Yourself**. This can only be agreed upon receipt of **Your** contractors fully itemised and paid invoice and will take into account the **Costs** already incurred by **Our Authorised Contractor**, for the initial visit. This will be in full and final settlement of **Your** claim

### Other insurance

If **You** make a claim for any liability, loss or damage that is also covered by any other insurance policy, **We** will only pay **Our** share of the claim.

### Recovering our claims costs

If **We** think someone else is at fault for a claim that **We** pay, **We** may follow up that claim in the name of anyone claiming cover under this policy to get back the payments that **We** make. Anyone making a claim under this policy must give **Us** any help and information that **We** need.

### Parts availability

Availability of parts is an important factor in providing **Emergency Repairs**. If **Our** engineer does not carry the spare parts needed on the day of **Your** appointment, **We** will do all **We** reasonably can to find and install parts from our approved suppliers. **We** may not replace parts on a like for like basis but will provide an alternative suitable for containing the **Emergency**. However, there may be times when replacement parts are delayed because of circumstances beyond **Our** control. In these cases **We** will not be able to avoid delays in repair; **We** will keep **You** informed throughout **Your** claim.

There may also be occasions where parts are no longer available. In these situations **We** will ensure **Your Home** is safe and if required, **We** will arrange for **You** to receive a quotation for a suitable replacement item at **Your** cost.
